

Dear Gus,

Please accept this letter as an expression of my interest in the Digital Designer position currently available at Optus.

I have more than 8 years commercial experience, starting my professional career as a web and digital designer. I am very well familiar with UX/UI , Adobe suite, Sketch, Invision, jQuery components, html/CSS, SASS/LESS, Bootstrap, Wordpress. I now design products including bespoke websites, landing pages and apps utilising my skills and knowledge in UX. For more information please refer to my attached Resume / CV.

Besides the skills and experiences that I can offer the company, I possess a positive attitude, confidence and a desire to learn new skills quicker than the most. I am a responsible person who pays a lot of attention into details and quality of the work.

Please review the enclosed CV/resume for more details and let me know if you would like to have any additional information. I would be glad to answer to your questions you may have.

Thank you for considering my application.

Sincerely,
Fiona Tehrani
